OLD BUSINESS

President Kay commented on a “thank you” certificate she felt we needed and suggested the one sent to her by Don Collins could be modified to meet this need. Don said he would send her a modified version soon. She gave a couple of examples where the certificate could be given to those who help make the community a better place to live.

President Kay also commented on the need for the Coalition to have a fold out table and tent to have for us to have available for future events. She indicated she would appreciate input and indicated she would consider acquiring these in the future. The Coalition members attending agreed this would be helpful and necessary.

The members discussed expanding the membership of the Coalition and discussed using a modified version of two forms prepared by Don Collins. It was generally agreed that more members are needed and this should be worked on soon. The two samples are attached to these Minutes.

The next meeting is scheduled for Monday, July 28, 2025 at 4 pm at City Hall.
