

Busy Bee Times

March 6, 2025

ASK YOUR CHILD ABOUT:

What did we play with in the water?
What kinds of animals live in the ocean?
What song did we sing?

This week we learned about the ocean and the kind of animals that live there. We explored by playing in the water, examining different seashells, and making sand castles. It was a nice way for them to study the ocean.

The boys and girls are so excited to have their Grandparents visit next week. We have an exciting day planned for them. Remember they come to school with their grandparents at the time they signed up for.

Here are some upcoming dates to put on your calendar:

***Grandparents Day-Mar 13th**

***Spring Break-Mar 14th – Mar 24th**

NEXT WEEK THEME

St Patrick

SNACK BUCKET

Tuesday- Jaxon

Wednesday-Sullivan

Thursday- Grandparent Day

Star Student

Eli

Puppy Weekly

ASK YOUR CHILD ABOUT:

- What did we play with in the water?
- What kinds of animals live in the ocean?
- What was your favorite craft?
- What did we go fishing for?
- What is your favorite sea creature?

This week we learned the difference between land and sea creatures. Sea animals have very different skin, body parts, and habits compared to land animals. Many of the children would like to live in the sea so they can explore ocean life.

The boys and girls are so excited to have their Grandparents visit next week. We have an exciting day planned for them. Remember they come to school with their grandparents at the time they signed up for.

Here are some upcoming dates to put on your calendar:

- *Happy Birthday Ryott!!!!
- ***Grandparents Day-Mar 13th**
- *Spring Break-Mar 14th- Mar 21st

NEXT WEEK THEME
