

Puppy Weekly

March 28, 2025

ASK YOUR CHILD ABOUT:

- What is another name for a baby cow?
- What is an example of a farm animal?
- What farm song did we sing?
- What did we paint?

We had an exciting week learning about the farm. We learned the proper names for baby animals such as lamb, calf, chick, and duckling. The farmer provides so many of our basic foods such as corn, wheat, and soybeans.

Don't forget to sign up for conferences. They are Monday May 5th, so excited to share how the kids are doing.

Please work on the letters. I will check to see how the kids are doing in the next week.

Here are some upcoming dates to put on your calendar:

- *Senses Gym Arp 30th
- *Grover Museum- May
- *Parent Conferences- May 5th
- *Graduation- May 14th @ 6:30 pm
