

Puppy Weekly

April 11, 2025

ASK YOUR CHILD ABOUT:

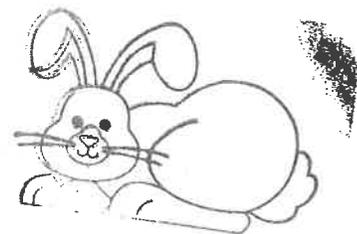

- What does a caterpillar change into?
- A caterpillar builds what before it changes?
- What did we play inside?
- What was the best part of school?

This week we learned about the life cycle of the caterpillar. The children are always amazed at how the transformation takes place. They really enjoyed reading Eric Carle's book, "The Very Hungry Caterpillar." Just like magic our friend Herman turned into a beautiful butterfly.

The children have done a great job with learning their letters. We will start working on recognizing 1-20 and counting to 100. For an extra challenge we will try to match number words to the number. (1-one, 2-two, etc). We will start this activity with 1-10. The kids are doing super!!!

Here are some upcoming dates to put on your calendar:

- *Happy Birthday Aiden!!!
- *Senses Gym April 30th
- *Grover Museum – May 7th
- *Parent Conferences - May 5th
- *Graduation - May 14th @ 6:30 pm

NEXT WEEK THEME

Easter(Y)

SNACK BUCKET

Monday-Jalen
Wednesday-Kinslee
Friday- No School

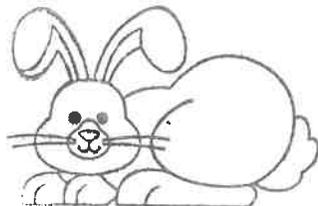

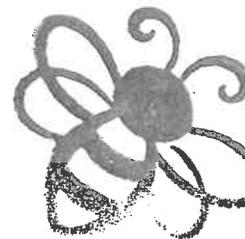

Tuesday- Jaxson
Thursday-Egg Hunt

STAR STUDENT

Alaia

Busy Bee
