ASK YOUR CHILD ABOUT:

What was your favorite activity that we played at school?

What is one thing you like about your mother?

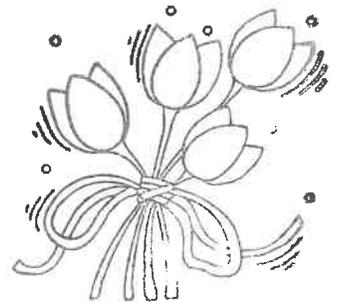

What does a mother do to take care of a baby?

Mother's Day is coming up so to honor our mothers we made a special gift with a great deal of love and care. We talked about how mothers love us, care for us, and understand all of our needs. Each one of the children shared about his or her mother and how much they love them.

As the weather turns warmer it allows us to go outside and experience the outdoor world. We will hopefully get to play fun games and run around outside. Hopefully we will get to enjoy the fresh air.

Here are some upcoming dates to put on your calendar:

- *Senses Gym April 30th**
- *Grover Museum – May 7th**
- *Parent Conferences - May 5th**
- *Graduation - May 14th @ 6:30 pm**
