

ELECTRICAL LICENSE APPLICATION 2026

Shelbyville Building Department
44 West Washington Street
Shelbyville, IN 46176
P: 317.392.5102

Each application must be accompanied by a certificate of general liability insurance and an original, signed \$10,000.00 surety bond made payable to the City of Shelbyville. Both the bond and the certificate of insurance MUST have expiration dates on them, the company name on the bond, application, and insurance certificate (these must match). It is the contractor's responsibility to make sure that anyone working for him on the jobsite is licensed with us. Failure to do so can result in a \$2500 fine per individual. Since we don't issue a "general contractors license" your bond must state the license(s) being applied for (ie. building, electrical, mechanical, or right of way).
